

Ahnentafel Chart for Cristobal FALCON Sr.

First Generation

1. **Cristobal FALCON Sr.**¹ was born 27 Feb 1721 in Los Llanos de Telde, Gran Canaria, Canary Islands, Spain and was baptized 2 Mar 1721 in Los Llanos de Telde, Gran Canaria, Canary Islands, Spain. He died 18 Mar 1806 in Los Llanos de Telde, Gran Canaria, Canary Islands, Spain.

Records: It has been verified that Domingo Falcon was not Cristobal Jr and Gaspar's father. The records show Gaspar Melian. See the records at San Juan Bautista, Telde, Gran Canaria.

BIOGRAPHY: Cristobal and his family lived in Los Llanos Jaraquemada. According to the history of Telde, the poorest of the city lived, however, in what was called "Los Llanos de Jaraquemada and Berebería" in the district of San Gregorio. The latter site was born in the shadow of the first, only to merge with them. The first inhabitants of St. Gregory were Moorish slaves captured on the African coast and brought for all kinds of activities: domestic, agricultural, etc.. The importance of this first population was noticeable for posterity in an intricate and chaotic network of streets and alleys, like the Muslim cities, which contrasts with the stately and organized neighborhood of San Juan and the neat, although irregular in layout to accommodate the relief, the district of San Francisco.

Cristobal married **Augustina MEXIAS**², daughter of Andreas MEXIAS and Maria CANDELARIA, on 6 Mar 1743 in Los Llanos de Telde, Gran Canaria, Canary Islands, Spain. Augustina was born 1721 and was baptized 10 Sep 1721 in Telde, Grand Canaria, Canary Islands, Spain . She died before 1806 in unknown location.
